GLASS

COMPOST

Caps, Lids, dishes, bulbs

Loose, not in a bag !
Empty completely no
need to wash !
Dump it in your neighborhood's
designated drop-off spots.

Some examples of waste to compost"

Terre de Provence offers you the
opportunity to acquire an
individual wooden garden
composter or a worm
composter: contact us!

HOUSEHOLD WASTE

Gloves, masks, diapers...

Chuck your sealed bag sinto the dumpsters or your regular
drop-off stop.

Toss the mask in the regular trash bag !

Do not leave any bag outside the dumpsters of the collection room.

Got your own personal bin ?

Remember to put it out the day before collection day
